

Corporate Philosophy

The EIZO NANA O Group pushes the limits of technology to create products of new value, inspires its customers through visual display systems and entertainment software, and strives for sound prosperity while coexisting in harmony with the environment and society.

Principles of Conduct

1. We supply superior products and services by focusing on quality and following scientific operation procedures.
2. We act as an international corporation with a global outlook and mindset.
3. We aim to grow in a harmonious manner by building strong bonds of trust with our stakeholders (shareholders, suppliers, employees, and the local community).
4. We respect and comply with both the letter and the spirit of the law as a good corporate citizen.
5. We cultivate a broadminded corporate culture, establishing a vibrant workplace.

The Seven Promises — Toward Fulfilling Our Corporate Social Responsibility

We established the Eizo Nanao Group Code of Conduct as a statement of our standards for fulfilling our corporate social responsibility.

The Corporate Philosophy and Principles of Conduct stated above are included in the Eizo Nanao Group Code of Conduct, which serves as a foundation for Eizo Nanao on which our promises to stakeholders stand.

From this code, the Seven Promises of Eizo have been derived.
